

Summer Horsemanship Camp For Kids!

The Northwest's premier, award-winning green horsekeeping program for horse owners brings horse keeping education to children in a day camp format!

Give your child an opportunity to learn about horses, horse care, and the environment in this safe, structured program. HCW program director, Alayne Blicke, an environmental educator, will direct this closely supervised program to give kids a half day with horses, ending with a pony ride. Academic as well as hands-on learning. Includes a snack.

Weekly sessions are 4 days, Tuesday to Friday, 8:30am to noon

Groups are kept small for supervision & greater learning opportunity; 6 children max

Cost: \$400/session
